

OSI VISION BENEFITS MANAGEMENT

Osi Vision, LLC, has teamed with a professional employer organization (PEO) provider, **G&A Partners** to provide our employees a comprehensive and competitively-priced platform of medical and insurance benefits. G&A Partners offers a full array of HR Support for our organization.

G&A assists with streamlining human resources to assist in all areas such as payroll, benefit administration and employee/risk management. As our PEO, G&A also offers payroll, workers' compensation programs, and personnel records management. It also offers support which includes employment screening and recruiting. G&A excels when it comes to the management of employee benefits. Experts are available to assist employees throughout the HR process, and they have the knowledge to assist with all benefit options offered such as:

- Health care coverage: medical, dental and vision
- Flexible Spending Account plan
- Life insurance and personal accident insurance
- Short-term and long-term disability insurance
